<sup>3</sup>Merchants are assigned a merchant category code by Mastercard and such merchant category codes are subject to change. Merchants are categorized by Mastercard as fuel, maintenance, or a different merchant category code based on the type of goods or services provided. Ability to open card(s) up for purchases at locations other than fuel and maintenance retailers is based on credit worthiness and may be restricted for certain customers.

<sup>4</sup>Receive an up to 3 cents per gallon rebate with participating merchants within the Retail Savings Network (<http://www.fleetcor.com/RSN>) and up to 3 cents per gallon in volume rebates. Volume rebates are \$0.005 for first 1,999 gallons; \$0.01 for 2,000 – 4,999 gallons; \$0.015 for 5,000 – 9,999 gallons; \$0.02 for 10,000 – 19,999 gallons; \$0.025 for 20,000 – 29,999 gallons; and \$0.03 for 30,000+ gallons. Purchases must be made with the [CARD PROGRAM] and the account must be in good standing. Volume rebates are based on the number of gallons purchased monthly and will be calculated on the gallons pumped at Level 3 sites. Unleaded and diesel grade fuels are included. The Retail Savings Network is a select group of fuel locations that offer cardholders additional savings. Savings will be reflected as a rebate on your billing statement, in the form of a statement credit and/or a discount. Rebate offer valid for first 12 months after account setup.
